

MANAGING AND TEACHING BUSINESS ETHICS IN BUSINESS SCHOOLS AND BUSINESS EDUCATION

In einer globalisierten Unternehmenswelt gewinnen die Fragen nach dem Umgang mit ethischen Herausforderungen noch mehr an Bedeutung. Genau diese Fragen stehen anlässlich unserer internationalen Konferenz «Managing and Teaching Business Ethics» im Zentrum. Die Konferenz will sowohl den theoretischen Diskurs (Academic Day, 14.5.18) wie auch die Praxis von Unternehmensethik (Corporate Day, 15.5.18) stärken. Sie wird gemeinsam vom Lassalle-Institut, von der Hochschule für Philosophie, München und von der ESADE Business School, Raimon Llull University Barcelona organisiert.
